NOTES:

- 1/ The population base for the 2009 to 2014 estimates are based on the estimated resident population of Australia at 30 June for each year, released by the Australian Bureau of Statistics (ABS) December 2014 (3101.0 Australian Demographic Statistics, Table 4). Use of the most recent may have resulted in minor revisions to dpmp values previously reported.
- 2/ NSW population excludes residents of the NSW South Eastern region which includes the local government areas of Bega Valley, Bombala, Boorowa, Cooma-Monaro, Eurobodalla, Goulburn Mulwaree, Harden, Palerang, Queanbeyan, Snowy River, Upper Lachlan, Yass Valley and Young.  
If included the donor per million population rate for NSW would be 8.5, 7.0, 8.4, 6.9, 9.5, 8.1, 7.3, 7.8, 8.2, 9.6, 12.2, 10.7, 12.0, 13.8 and 12.2 for 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013 and 2014 respectively.
- 3/ The population base for the NSW South Eastern region estimates is based on the estimated resident population by local government area at 30 June each year, released by the ABS August 2014 (3235.0 Population, Regions of Australia). Estimates for 2014 are obtained using Poisson regression on previous years estimates.
- 4/ ACT population includes residents of the NSW South Eastern region. If excluded the donor per million rates for ACT would be 15.8, 21.8, 18.5, 24.4, 18.2, 27.2, 11.9, 2.9, 14.4, 22.5, 27.6, 21.7, 32.0, 15.7, 28.5 for 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013 and 2014 respectively.
- 5/ Previous reports used population estimates based on the December 2013 ABS release of 3101.0. The most recent December 2014 release includes revised estimates for all previous years. This may result in minor revision to the DPMP values when compared to previous reports.

The following organ tables represent the number of organs donated and transplanted.
