Title: Patient Perspectives on Quality Indicator Reporting in Kidney Failure Care: A Qualitative Study

Title: Patient Perspectives of Quality Indicator Reporting

HREC Reference: 16623

Study Investigators: Stephen McDonald, Emily Duncanson, Shyamsundar Muthuramalingam, Christopher Davies, Nicholas Gray

Location: ANZDATA Registry, South Australian Health and Medical Research Institute (SAHMRI)

If you consent to being involved in the study, please tick the boxes and sign and date below

- I have read the Participant Information Sheet, or someone has read it to me in a language that I understand.
- I have had an opportunity to ask questions and I am satisfied with the answers I have received.
- The nature, purpose and risks of the research project have been explained to me. I understand them and agree to take part.
- I freely agree to participate in this research project as described and understand that I am free to withdraw at any time during the project without affecting my future health care.
- I understand that the information collected from me via the phone survey and focus group will be kept confidential and on password protected computers.
- I understand that I will be given a signed copy of this document to keep.
- I understand the statement about reimbursement and cost contained in the Participant Information Sheet.

Name of Participant (please print)	
Participant Signature	
Date	

Declaration by Senior Researcher: I have given a verbal explanation of the research project, its procedures and risks, and the implications of withdrawal from the research project and I believe that the participant has understood that explanation.
